Panelist Background

How long
in office

County
population

Number of
employees

Preparation *(or lack thereof)*

Did you feel prepared for the role when you took office? Explain.

What resources did you rely on to get up to speed?

A Bit of a Surprise (!)

Q. What is something you thought would be straightforward in this role that turned out to be much more complex?

Navigating Difficult Situations

Have you had to navigate a difficult conversation or conflict?
What did you learn from it?

The Inheritance

Did you inherit any systems or practices that you chose to change - or keep? Why?

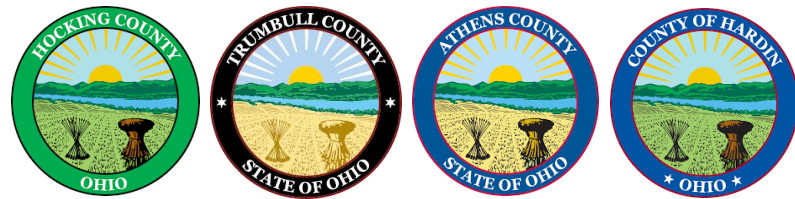

Risk Assessment

Q. What is one risk area that you now pay much closer attention to than you expected?

No One Warned Me...

What's something you wish someone had warned you about?

Good Advice

Q. What advice would you give to someone before they even take the oath of office?
